To whom it may concern,

On behalf of my co-authors and myself, I am hereby re-submitting our manuscript, entitled ``*Evaluation of thermophysical properties of the LiCl-KCl system via ab initio and experimental methods*'', for publication in the *Journal of Nuclear Materials*.

We thank the editor and the reviewers for their time and effort in reviewing this manuscript. The feedback and comments we received allowed us to make this manuscript into a more robust and clear work. We have incorporated your comments and have outlined a specific response to each point in the attached document. Additionally, we have further refined the paper beyond your comments, including revisions that we believe both improve the clarity and quality of the manuscript.

Thank you

Sincerely,

A handwritten signature in black ink, appearing to read 'B-Beeler'.
